Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Saturday 17 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright in the east. Patchy drizzle in the west. Windy.

Today:
It will be a mainly cloudy start with extensive low cloud, mist and drizzle in the west. Becoming mainly dry during the day with bright or sunny spells developing in the east. Fresh to strong southwesterly winds. Maximum temperature 22 deg C (72 deg F).

Tonight:
Some bright or sunny spells in the east this evening, but it will be mostly cloudy with patchy light rain or drizzle becoming more widespread overnight. Winds will steadily ease. Minimum temperature 12 deg C (54 deg F).

Sunday:
A rather cloudy start with patchy light rain and drizzle. Skies will brighten during the day with the rain fizzling out, a few sunny breaks possible later. Mainly light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
Staying mainly dry and settled, although some low cloud and mist at times, mainly towards the north coast. Bright or sunny spells developing, warm or very warm in any sunshine.
